-A bilingual curriculum (French program and Intensive English) with 3 to 5 hours English hours a week and personalized lesson plans adapted to the specific needs.

-A 50/50 bilingual, a unique partnership with an English state school (Exam set from year 2).

Both streams lead to the international section in 6ème at the Lycee Français Charles de Gaulle. The English teachers are all qualified, native speakers.

You must read and agree to our registration terms and conditions:

You will start with the following:

- First person in charge
- Second person charge
- Child (2 pages)
- School history (2 pages)

At the end of each you will need to save your details by clicking on the disk icon.
Please fill in all the required fields.

Details for legal guardians: (in most cases this concerns both parents regardless of their living arrangements)

- The first person in charge represents the legal guardian and, generally, the person with who the child lives. When the parents live together or have joint custody there is now priority but the person paying the fees tends to be the first person in charge

- The second person in charge tends to be the other parent if the first person in charge is not a single parent.

Entry of fields for « person in charge » and « child »:

- All last names should be in capital letters as written on the ID documents but with no accents.
- All first names must be in lower case as written on the ID documents and with accents.
- For those with dual nationalities or more, all nationalities must be given. If the child is a French national this should be entered as the main nationality.
- All phone numbers from outside the UK must be preceded by 00 and the area code.
- Where possible you have the option to use the first person in charge's details for the second person in charge as well as the child. You will need to select the icon next to every field for data insertion.

Field data entry « school history »:

Please select either Year 10 (3GCSE) or Year 12 (PAL) for a place in the british section.

Pre-registration form confirmation:

After filling all required fields you will be asked to save your file. To do so you will need to click on the disk icon at the end of the page.
