

## PE / EPS FOR SCHOOL YEAR 2020-2021

Due to the current pandemic, we have adjusted PE lessons operations at school:

- **Certain sports are excluded:** Acrosport, Gymnastics, Judo, Football, Basketball, Handball and Rugby. To replace these activities, the EPS/PE Team will offer alternatives. A few swimming pools remain closed for now (St Mary's pool in Paddington, Phoenix Centre) and here again, we will have to offer another activity. The situation is likely to evolve; in which case we would inform the pupils.
- When sports sessions occur in indoor gyms, windows and doors will remain open.

## PE / EPS PROTOCOL

Following AEFÉ, local and French guidance, the PE/EPS Team have set the following protocol, in order to continue sports education in the best possible conditions.

LEARNING AREA		FACE MASK	OPERATIONS
LEARNING AREA 1	<b>ATHLETISM:</b>	<b>YES</b>  If pupils are 2 metres or more away from one another, they can lower their face mask	Wearing a face mask is compulsory while moving, including aboard coaches  Changing rooms remain closed until further notice (except at Raynes Park for 6e-5e-4e)
