

# André Malraux Newsletter

November-December 24-25

*2024 is ending very soon. After a busy period , these festive times were well deserved.*

*We would like to take this opportunity to wish you a restful time with your families and close ones.*

# Japanese school of London

*In November, the CM1 and CM2 pupils welcomed their classmates from the Japanese school in London.*

*Through sports, creative writing and craft workshops, our guests discovered the French language and the French culture.*

*At the beginning of next year, it will be our turn to visit their school.*

# CM2 Project

The CM2s are preparing for their last year at primary school! To finance the 'night at the museum' and their 'end of year party', they held their first cake sale.

## Marie's corner

Marie, our librarian, got out her butai to read us the Christmas stories 'The legend of the fir tree' and 'In search of Father Christmas'.

Here are her suggestions for the end of year:  
La lettre de mon grand père ( Michael Morpugo)  
Lettres du père Noël (J.R.R Tolkien )  
Comment le père Noël descend par la cheminée (Marc Barnett)  
L'invitée de Noël (France Quatromme)  
La mofle du père Noël (Taro Miura)  
Le sapin de Noël dont personne ne voulait (Yuval Zommer)  
and her favorite album:  
Sapi le sapin (Olivier Tallec )

# South Ken Kids Festival

*Bridget Marzo, author and illustrator of children's books, came to our school to run a workshop for the MS-GS and CP classes.*

*She presented her book 'Stone Age Story' with an interactive reading and a live drawing session!*

*The children discovered what daily life was like over 20,000 years ago, and were able to let their imaginations run wild as they drew on archaeological clues such as the engravings in the Chauvet cave.*

# Christmas Meal

*The catering team pulled out all the stops to make this year-end meal a success. And judging by the smiles on the children's faces, the mission was successful.*

# Radio Malraux

*Listen to the new podcast from our Maternelle pupils: Radio Malraux.*

# Malraux orchestra

*The orchestra students gave a performance in front of their parents to celebrate the end of the year. Only 3 months after their debut, the performance was impressive!*

Thanks to the exceptional efforts of 171 children, 48 adults and school staff, we cycled over 1,366 km in 24 hours! Valencia, here we come!

By cycling day and night, we created priceless memories, demonstrated the power of solidarity and managed to raise 1,500 euros.

Many thanks to our parent representatives for organising this event. (Read the article [here](#)).

## Little House of Science Show

In order to offer each child an unforgettable experience, this year our Amicale turned to Little House of Science for an astonishing show combining scientific discovery and humour.

# Chorales et Père Noël

And finally, a few photos of our choirs and the arrival of Father Christmas, who had some gifts from the Amicale in his sack for a 'Malraux' spirit...
