

André Malraux Newsletter

March-April 2024

Sunny days are back and a busy end to the year is fast approaching as we take a look back at the major events of March and April.

World Book Day

We didn't miss a chance to celebrate reading with World Book Day 2024! Thank you to the pupils who came dressed as their favourite literary character and shared their book with the other children.

Wallace collection

The CE1 class visited the Wallace Collection in London. Before exploring the rare elements of this collection, our pupils had an initiation class to the study and drawing of portraits.

VIVE LES JEUX À ANDRÉ MALRAUX

SAMEDI

29

JUIN 2024

10h à 16h

PRÉSENTÉ PAR VOTRE

APL

UNE JOURNÉE PLEINE DE MAGIE POUR TOUTE
LA FAMILLE: DES JEUX, UNE TOMBOLA, UN
BBQ, UN CHATEAU GONFLABLE ET PLEIN DE
SURPRISES!!!

Cycling skills

In April, the CE2 pupils took part in a learning session linked to the BICIBUS initiative set up by the APL. Instructors working with the Borough of Ealing were on hand to work on bike handling and the various skills needed to be ready to ride on the road.

National Gallery

Early March, the CM1 pupils went with their English teacher to visit the National Gallery. During the guided tour, the pupils listened to explanations of several paintings.

Movie Night

APL

The second edition of Movie Night brought together over 100 pupils and many parents!

Bicibus

APL

During the last week of March, parents and pupils were mobilised to take part in an action organised by our APL: the Bicibus. We had up to 35 cyclists in one day.

You can find the link to the APL article [here](#).

La Mélodie du Bonheur

The Amicale invites all children to participate in our annual 'Agenda Art' competition

2-16 May

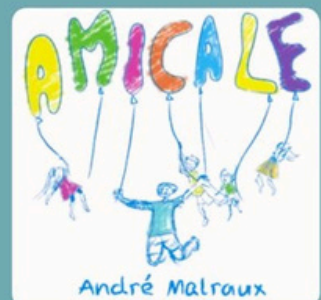

With the theme of **La Mélodie du Bonheur** - imagine your school day set to the sound of music!

Show us what you imagine your school might look like if your days were filled with instruments and singing.

You could find yourself having lessons in a music box or inside a trumpet!

The winner will be chosen beginning June - by Mr Riggs, the teachers and the Amicale Trustees.

The winning entry makes the cover page of the 'Agenda scolaire 2024-25' (used by CP - CM2). Finalists' work will be featured inside the school agenda.

Please hand your submissions in at the secretaries office by the closing date.

Olympic week at the Lycée

In March, the Lycée organised Olympic and Paralympic Week. The Malraux school was able to play a full part with our MS, GS and CP classes, who travelled to South Kensington to meet Reina-Flor Okori, the French 100m hurdles champion.

The older children met Sya and Damani Dembélé, two young athletes who hope to represent France at the Paris Olympics in the new Olympic discipline: Break Dance. The pupils at Malraux didn't hesitate to get involved when the two athletes suggested that the children should come and learn some Breakdance moves!

Radio Malraux

If you haven't already had the chance, don't forget to listen to the maternelles pupil's podcast.

School Council

Here are the minutes to the second school council meeting.
