

André Malraux Newsletter

May-June-July 2024

The school year is drawing to a close. We would like to take this opportunity to thank everyone for a wonderful school year. For this last front-page we wish to share with you photos of the CM2 graduation ceremony. We're proud of our pupils!

School choirs

At the end of the year, the school's 3 choirs performed in front of an enthusiastic audience of parents.

Play by the CP class

After months of hard work with their teacher Marie-Christine, the CP pupils performed their play in front of their parents.

Graduation

The parents of the Amicale organised a memorable graduation ceremony to wish our CM2 pupils all the best for the future. We are very proud of them!

Circus

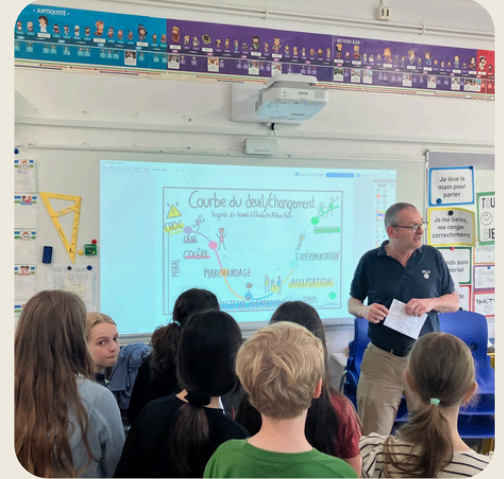

The 3 Maternelle classes took part in circus activities every Thursday. It was a fun way to work on concentration, balance and dexterity...

Earth Week

Together with some of the Lycée staff, our CM2 pupils created ecological murals to reflect on the climate issues facing our planet.

Amicale activities: Judo

To mark the end of the year, the pupils demonstrated everything they have learned during the year in front of their parents.

Gunnersbury

The CEI class went to the Gunnersbury Museum for a Victorian school day. It was a wonderful day full of new things to learn!

Sortie à Kew Gardens

The Grande Section class went to Kew Gardens. The children took part in a workshop entitled "mini beasts and habitats". They looked for, observed and then tried to name the insects and other small animals they found. They also enjoyed the magnificent playground.

Cadogan

On Tuesday evening, the CE2 pupils excelled during the LFCG show at the Cadogan. The pressure was on for the big day of a project they have been working on for many months. Parents, pupils and teachers alike were delighted with the success of the show.

Cultural diversity week

In May, the André Malraux school celebrated the different nationalities and cultures that live here. It was also an opportunity to showcase our parents by inviting them to come and share this diversity with our pupils. Here is the link to the video reminding us of this week.

Semaine de la diversité culturelle

The CE1 class from André Malraux school won the kamishibai (a Japanese storytelling technique) competition organised by schools in the AEFÉ's Europe zone. The theme was: "Alone we go faster, together we go further".

Well done to this class, which won the right to take part in the next stage: a worldwide competition. Congratulations also to our Moyenne Section class, who finished 3rd!

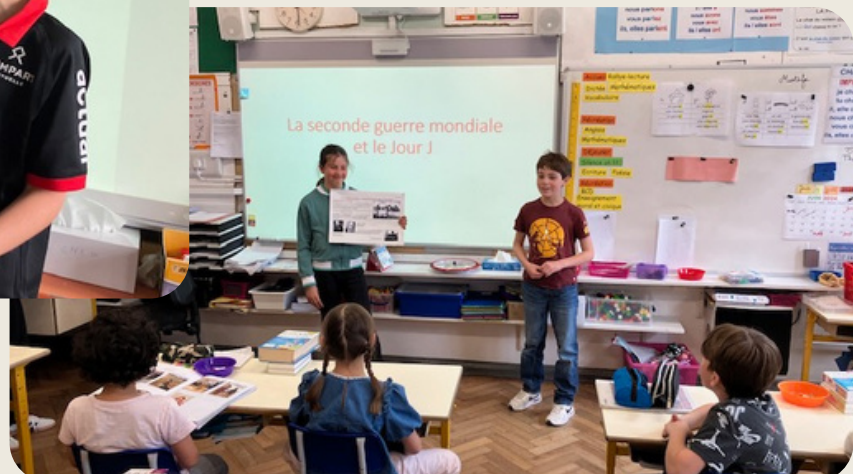

Book trailer project

The GS class took part in an AEFE project that invites pupils to create "trailers" for books. It's a wonderful project with many aims: developing language skills, working on story structures, developing a taste for reading... Here is the result of their work!

D-day: 80 year celebration

To commemorate the 80th anniversary of D-Day and instil a sense of remembrance in our pupils, the CM2s gave presentations to the younger pupils on the events of June 6 1944.

Orchestra

An orchestra section will open in September. We currently have more than 20 students signed up to learn the violin, trumpet, trombone or French horn. There are still places available for all instruments. You can watch the presentation of Lynn Hernderson, our future conductor, [here](#).

Fête de la musique

Marion, our choir director, and the choir association were on hand to prepare an unforgettable event that showcased the many talents of our students.

Saturday 29 June was our annual Fête d'école. Many thanks to all the parents who took part and helped to organise this wonderful day.

Radio Malraux

Don't forget to listen to the third episode of the podcast by our Maternelle pupils.

Conseil d'école

APL

Here is the link to the minutes of our third "conseil d'école" (in French).

Agenda

APL

School starts back on Wednesday 4 September.

More information will be sent about the traditionnal Parent's pick-nick the week-end before the start of school.
